Re: John Howard Davis

Dear Friend:

Please pardon my seemingly delay in writing you, but I had really hoped to be able to get to New York to talk to you in person for your great kindness in assisting us in getting Davis transferred to Jersey.

I am enclosing this check, which I do not feel really sufficient money to pay you for the trouble you went to, but your actual expenses you incurred I do want to take care of.

I will try and make an effort to get to see you sometime soon. In addition to being busy, I have been in bed for the past week.

Again please accept the sincere thanks of Abe and myself. Hope to see you soon.

Very truly yours,
